

Map of Fairbridge Farm

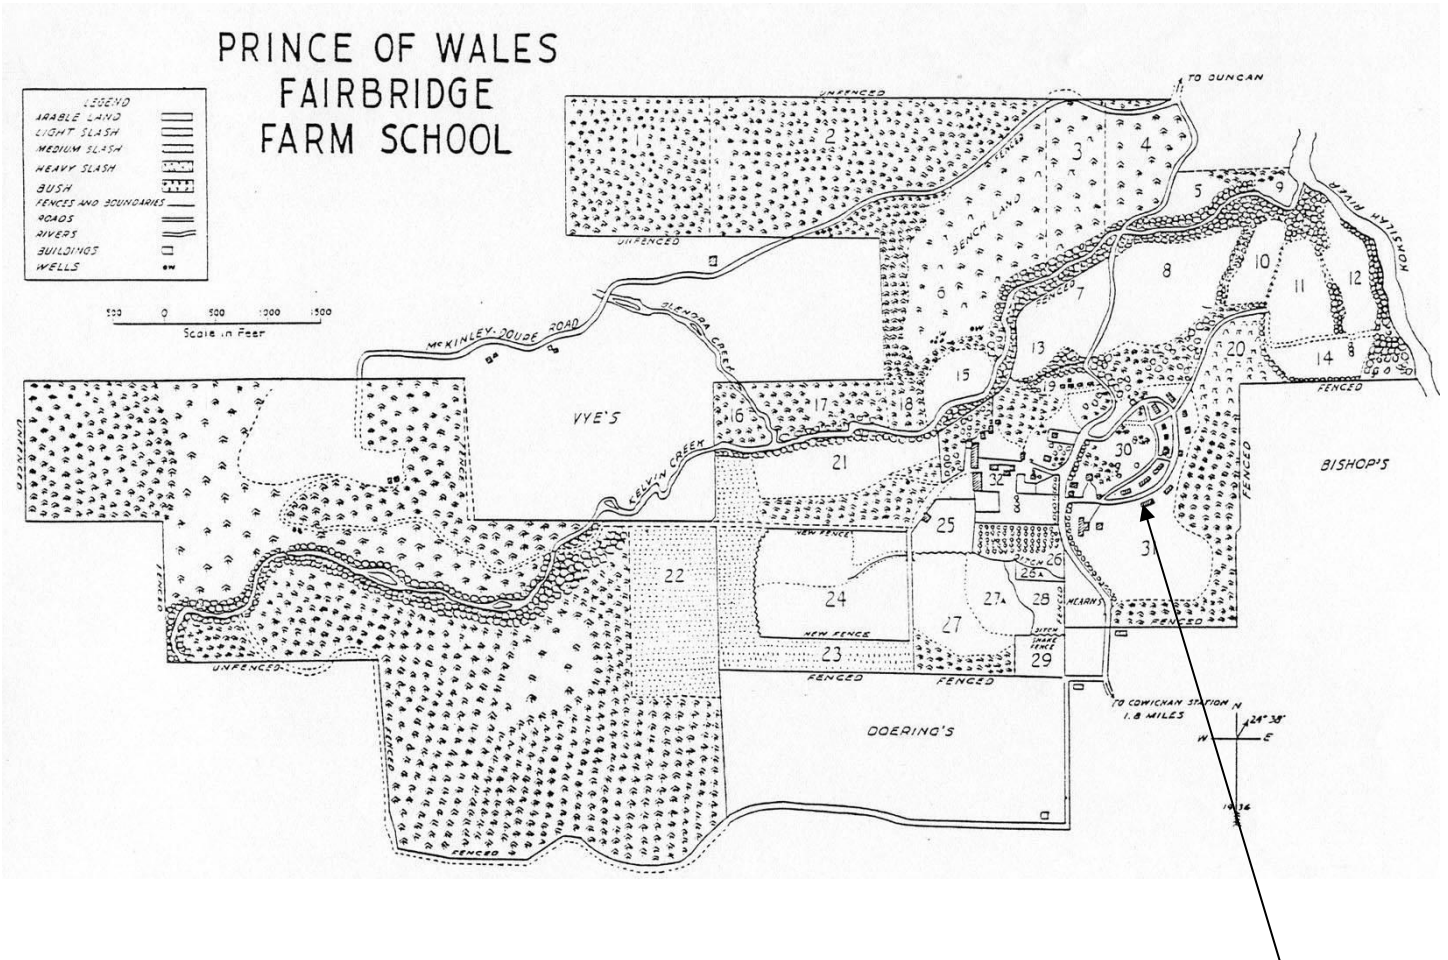

This map is from the Summer 1946 *Fairbridge Gazette* (Volume 7, Number 1) One will note the map includes numbers on it and the following information is from this edition. The farm was one of the largest in the Cowichan Valley comprising of 416 hectares.

Number

1, 2 & 17	Second growth experimental forest lands
3, 4, & 6	Bench land, also in the lower corner of 6 were the wells which supplied water to the farm
5	Remains of an old farm building. This was the location of the first school in the area and these remains may be school
7 & 13	Lower garden and hay field
8	Root and hay fields
9	Small rough clearing and above this area was "Bills Hill" now a gravel pit
10	Hay field
11	Root crop fields (potatoes etc.)
12	Hay field
14	Grazing pasture and path to the swimming hole (dotted lines)
15	Unknown, likely a small pasture
16,17 &18	Forested area
19	Poultry houses and mixed woodlands along hill side
20	Newly planted forest area
21	Pasture
22 & 23	Rough grazing land and forested area on both sides of Kelvin Creek
24	Pasture
25	Small field on top of hill (wheat and alfalfa)
26	Orchard
27	Ploughed field
27 (a)	Newly cleared field
28 & 29	Hay fields
30	Home site
31	Playing fields and Day School
32	Farm buildings, bunkhouse and old Pemberton house

The Summer 1946 *Gazette* provides additional notes about the farm.
